N. Madhava Rao, Esq , B A.,

Sir

Flag K I have the honour to state that in accordance with instructions contained in G O No.A F.4632-4/Agri 211-41-2 dated 6-3-1942, authorising the stocking and sale of cart tyres and iron materials required for Agricultural purposes in the various agricultural depots of the State, large quantities of the same are being purchased and sold to raiyats at rates fixed in accordance with the terms contained Flag J in G O No A F.2538-40/Agri 309-41-6 dated 4-11-1942 The sale price fixed by the Department for the materials leaves no room for profit as the 2½% centage left over, after allowing discount of 5% on cash sales, just meets the transport and other incidental charges

One or two municipalities such as Bhadravati and Krishnarajapet have claimed Octroi charges at 0-0-3 per rupee and other municipalities may also prefer similar claims As the selling rates fixed do not admit of any profit in these transactions, payment towards Octroi charges would result in loss in these transactions I therefore request that Government may be pleased to exempt from payment of Octroi duty all agricultural implements, spare parts, cart tyres etc , purchased and stocked by the Department in the Agricultural Depots or Co-operative Societies for sale to the raiyats
